

D3 — Details of Non-ARC Contributions

DRAFT - Dr Yuefeng Yin - FT26 baseline for FT27 review

Personnel

Dr Yuefeng Yin (Future Fellowship)

The salary difference between Future Fellowship salary and Level B of Monash salary will be covered by Department of Materials Science and Engineering (DMSE), Monash University for the period of the fellowship.

The total cash contribution from DMSE, Monash University for covering this difference is \$3,126 (Year 1) + \$3,352 (Year 2) + \$3,591 (Year 3) + \$13,346 (Year 4) = \$23,415.

HDR (Higher Degree by Research stipend)

The stipend difference between ARC HDR stipend and Monash PhD scholarship will be covered by Department of Materials Science and Engineering (DMSE), Monash University for the period of the fellowship.

The total cash contribution from DMSE, Monash University for covering this difference is \$3,612 (Year 1) + \$3,612 (Year 2) + \$3,612 (Year 3) + \$3,612 (Year 4) = \$14,448.

HDR (Higher Degree by Research stipend) – Monash Contribution

Funding of an additional Postgraduate Stipend (\$37,145 p.a.) is funded through Faculty of Engineering, Monash University for a period of 3.5 years.
